Tuesday 11th	
Wednesday 12th	-Chapel
Thursday 13th	-Science Quiz - Mrs. Gerbers play @ 2pm
Friday 14th	-NO SCHOOL -Easter weekend

WELCOME BACK TO OUR WEEKLY NEWSLETTER!!!

Students had a short week, yet we accomplished many tasks and started some new writing assignments and one or two research papers. ☺ Hope to see many of you on Friday at the parent teacher conference.

IMPORTANT NEWS AND DATES!

- Students have a science Quiz on Thursday next week. April 13th.
- Thereafter we will be going to see Mrs. Gerber's classes play
- Shoe donations are now being collected. If your child(ren) have some unwanted shoes, we would be happy to take them
- Mrs. Ikebuchi's class is doing a book and game exchange program. Students can bring in old books and games they no longer play with and can exchange it for something used but new to them.
- There is no school on Friday April 14th and Monday April 17th as it is Easter.
- Mr. Fell has a socials assignment due on Monday April 10th! It is to be completed online! Ask your child. They should have the instructions.

WHAT ARE WE UP TO???

ENGLISH: Researching online on a specific topic. Making sure to include a topic sentence, beginning, middle and end. Using google docs to keep all information organized. Working on sentence fluency, transitional words, and starting on cursive writing.

MATH: Patterns and Algebra- using number lines to answer word problems, identifying and predicting patterns, and then onto sets and then division.

SCIENCE: Living things and their adaptations. Humans and their 5 senses.

Which one is more important than the other? How can we be servant workers and how can we help?

BIBLE: Discussing the throughlines- What are they and how do they affect me?

HACE: What did you learn about what is most important about health?
