Project #2

Please choose two of the following projects to complete. Projects are due February 6th, 2017

1. Create a window pane describing why/how the First Nations were vital to the survival of the first European Settlers. (split the page into 6-10 boxes of information)
 - a. Name included on the bottom right hand corner on the front page
 - b. At least the size of a 11x8 sized of paper or larger
 - c. Must include 6-10 squares
 - d. Each square must include both a picture and words
2. Create a comic strip about early contact between the First Nations and Europeans. (split the page into 6-10 boxes of information)
 - a. At least the size of 11x8 sized paper or larger
 - b. Should have at least 6-10 cells
 - c. Must have a meaningful dialogue – using conversations from the handout and were included in Cartier's/Champlain's journals
 - d. Must include color
3. Create a crossword puzzle describing the explorers
 - a. At least 20 important words or phrases must be included
 - b. Develop appropriate clues
 - c. Include the puzzle and the answer key

The following three options can be worked on at home, using the internet for extra resources/ideas for the board game and pictures for the presentation.

4. Create a board game about (A) travelling across sea as a European Settler (B) starting a settlement in New France as a European settler
 - a. At least 4 game pieces related to the theme
 - b. At least 25 colored and thematic squares (some say go back a step or forward, etc.)
 - c. At least 20 questions/activity cards
 - d. Includes a title
 - e. Includes a complete set of rules
 - f. Larger size than a 11x7 piece of paper (poster board is okay)
5. Write a story about what would have happened if the First Nations people had driven out the European newcomers.
 - a. Must be neatly written or typed
 - b. Must have all the elements of a well-written story: **setting** (where does it take place?) **characters** (who are your characters in your story- tell me about them) **problem** (what problems are they facing?) events (what is happening in your story?) And **solution** (what will happen in the end? happy ending?)
 - c. Must be at least 2 pages double spaced. No more than 5 pages.
6. Create a computer presentation comparing Jacques Cartier and Samuel de Champlain. Who was worse for the well-being and future of the First Nations people?
 - a. At least 10 informational slides
 - b. Title with student's name
 - c. No more than 15 words per page
 - d. Slides must have colour and at least 1 graphic per page
 - e. Animation is optional
